Commando-Ranger  
 PHOTOGRAM CR-23  
 COURAGEOUS LIEUT. COL. RAFF  
 in the photograph above  
 New York City commands American para-  
 chute troops in England. Paratroop  
 specimens trained to jump at low  
 altitudes. They land and are ready  
 on the foe, they disarm him at the  
 same time, they are ready to fight  
 above. Howling, snarling, and hitting  
 subdue enemy opposition completely.  
 There are 70 photographs  
 starting with CR-1  
 and ending with CR-70
