SERIES B  
NUMBER ONE

**Piper Cub Trainer**

Probably no other light airplane has enjoyed the popularity of the Piper Cub trainer. It is easy to fly and economical to maintain. Private owners find it an ideal plane and it is being used extensively in the present Civil Aeronautics training program. A variety of low horsepower engines contribute to its performance and economy of operation.

Co-operation of Flying and Popular Aviation

This is one of a series of fifty pictures of Modern Airplanes packed with  
**WINGS Cigarettes**  
 Send 10¢, coin or postage, for 7/8 x 10 color reproduction of this photo suitable for framing to Brown & Williamson Tobacco Corp., Louisville, Kentucky.
